## TECHNICAL SKILLS

- Programming Languages**  
C, Python, Java
- Web Technologies**  
HTML, CSS, PHP
- Python Packages**  
Pandas, NumPy, Matplotlib
- Database**  
MySQL, SQL Server
- Data Visualization**  
Tableau
- Core Competencies**  
Fullstack Development, Data Analytics, AI Automation Workflows, Machine Learning

## CERTIFICATIONS

- CCNA: Introduction to Networks**  
CISCO | Jun 2025
- Beginner for Data Analyst**  
NOVITECH LTD | 2025

## ACHIEVEMENTS

- Winner of Technical Quiz competition conducted by Mailam Engineering College

## CAREER OBJECTIVE

A highly motivated and detail-oriented Computer Science and Engineering student seeking a challenging role in a reputed organization where I can apply my technical and analytical skills to contribute to the company's growth while continuously enhancing my knowledge and abilities.

## EDUCATION

| QUALIFICATION  | SCHOOL / COLLEGE                                     | YEAR | SCORE    |
|----------------|------------------------------------------------------|------|----------|
| B.Tech AI & DS | IFET College of Engineering, Villupuram (Anna Univ.) | 2027 | 8.1 CGPA |

## ACADEMIC PROJECTS

- OTP-Based Smart Wireless Locking System**  
Designed a security system using Arduino and NodeMCU which sends OTPs via Gmail to unlock electronic locks. The system integrates hardware components with a web-based interface for secure access control.
- HYPER SEARCH**  
A tool for actively searching desired courses across the internet, aggregating results from platforms like Coursera, Guvi HCL, YouTube, Udemy, and more to help users find the best learning resources in one place.
- LearnLoop**  
A comprehensive interactive learning tool featuring an AI Tutor and AI Planner. Provides personalized learning paths, smart recommendations, and an engaging study experience with advanced AI-driven features.
- Pookifyy**  
A song listening application built as a personal Spotify alternative, featuring all core Spotify functionalities including playlist management, search, and seamless music streaming experience.

## INTERNSHIP

- Rickshaw Payment Management System**  
AAHA Solutions Private Limited | Jan 2025 – Mar 2025  
Developed a web application to manage rickshaw payment methods, streamlining the payment workflow for efficient transaction tracking and record-keeping.

## DECLARATION

I hereby declare that the above information is true to the best of my knowledge and belief.

Place: Villupuram

Date: 02-07-2025
